

My holidays

I have done quite a bit in the holidays. On the first day of the holidays I felt 😊

Because I had no work, but when I got further into the weeks, I was starting to feel 😞

On the second day I helped my mum bake a

and

.

because I was feeling really bored and there was nothing to do.

The next day I went outside to get exercise by playing

on my own.

On the fourth day I played on my Computer and that day I was really

The next day I played  with my brothers because I there was nothing to do.

The special day Easter day I did a Easter hunt with my brothers and we got lots chocolate  .

One of the days we had a family walk up the  hill it was very  .
