Media use in school

At times we use extracts from films and documentaries in the classroom to support learning. Many of these will be 'U' classified, but they can sometimes be classified as 'PG'. Extracts from 'PG' rated media are carefully chosen to ensure that they are appropriate for the audience in school. Content classified above a 'PG' rating will never be used. For further information about film media classification visit: <http://www.bbfc.co.uk/what-classification>.

Please complete the agreements below and return this sheet to school. Thank you.
