Also over the summer...

All Set

We will be delivering some sessions from our new 'All Set' programme which is for children aged 5 - 11 years. These sessions will be full of fun, but will also focus on themes such as:

- Friendships and relationships
- Dealing with emotions and anxiety
- Building your self esteem
- Morals and fairness

These sessions will be mostly by referral from a professional only, but if we have some spaces then we will offer it wider. If you would like to express an interest in these courses, or are a professional who wants to refer a child, please telephone Colburn Children's Centre on 01609 532595 for more information.

Youth work

Our Community Intervention Workers will be spending time with young people out and about in the Colburn community. We also hope to deliver some sessions over the summer for young people aged 11 upwards. To keep up to date with what we will be offering, please like and follow our Facebook page:

Young people can text 07520 631168 and receive a message back from one of their Wellbeing Workers offering advice, support and signposting around Mental Health and Wellbeing. The service is confidential and young people will receive a text back within one working day. The service is open Mon-Thursday 0900-1700 and Friday 0900-1630 (excluding Bank Holidays).
Healthy Choices	The Healthy Choices service provides a family-focused package of support for children and young people aged 5-19 years who are above a healthy weight. Each family is offered a free, 12-week personalised programme in their own home and/or community settings, during which they take part in fun and interactive sessions, complete weekly challenges and set their own goals to help them on their journey towards a healthier lifestyle. To find out more please contact the Healthy Choices team on 01609 798081.

The Prevention Service

The ultimate aim of our service is to reduce the numbers of children and young people requiring more intensive and more costly interventions through Children's Social Care and other crisis led services, by providing timely and effective responses that prevent difficulties escalating. The Prevention Service focuses on:

- School attendance;
- Those not in education, employment or training (NEET);
- Children's centre offer and 0-19 programme;
- Young people in pupil referral units;
- The six developing stronger families criteria;
- Children and young people who are missing;
- Those at risk of child sexual exploitation; and
- Parenting.
