

Reeth and Gunnerside Schools – School Sport Grant

September 2019 – July 2020

For the period September 2019 to July 2020 our schools are expected to receive a total of £32,360 as the school sport grant. The schools will initially receive payment for the period September through to March, and then a further payment for the period April to July.

Action Plan

<i>Key Indicator 1: The engagement of all pupils in regular physical activity</i>	
Actions:	Impact and evaluation:
<ul style="list-style-type: none"> <p>Implement a combination of strategies to ensure that all pupils complete at least 30 minutes of physical activity during each school day (in accordance with Chief Medical Officer guidelines):</p> <p>All pupils complete at least 30 minutes of aerobic activity each day in their free time (morning break or lunchtime). Through assemblies and PE lessons, the importance of physical activity is shared with pupils, who choose from a range of activities each day. On Friday each week, and in response to pupil feedback, our PE specialist leads activities. (Cost: £2470)</p> <p>After school sport</p> <p>We provide a comprehensive range of after school sport. As a minimum, there is always free of charge provision for KS1 and KS2 groups on at least one night per week. During the summer term, provision increases, with an excellent range of activities (see broader experience of a range of sports and activities). Transport is provided to enable some children who live in more remote parts of the dale to access this provision. (Cost: £6075– also costed in Key Indicator 4)</p> <p>School swimming</p> <p>We provide a need-based programme of school swimming that targets KS1 pupils with follow up sessions for older pupils to ensure that they achieve the National Curriculum expectations. School pays for swimming lessons, with contributions from parents. In some cases, Sports Premium is used to provide additional bespoke tuition to enable pupils to meet the required standard. (Cost: £600)</p> <p>Family swim scheme</p> <p>We have arranged for all pupils and accompanying family members to swim for free at the two local pools, funded through sport premium. (Cost: £1200)</p> <p>Replacement of goals and adventure activity equipment at Gunnerside</p> 	

<p>We plan to replace the goal posts and adventure equipment at Gunnerside School in the next two years. If possible, some of this work will take place this academic year. (Cost: £TBC)</p>

Key Indicator 2: The profile of PE and sport is raised across the school as a tool for whole school improvement

Actions:	Impact and evaluation:
<ul style="list-style-type: none"> • Specialist PE tuition A PE specialist, working alongside class teachers, teaches 50% of PE lessons. These sessions provide high quality learning experiences for pupils and CPD for classteachers. The roles of the PE specialist and the class teacher are reviewed to ensure effective collaboration. (Cost: £4000 – also costed in Key Indicator 3) • New equipment Investment in new equipment for sports activities in break times, lessons and after school clubs facilitates participation, engagement and enjoyment. The benefits extend beyond sport to other aspects of pupils’ school experience. Priority investment is discussed with our PE specialist to ensure best value. (Cost: £1000) • Early Years Sport We plan to extend specialist provision to include some lessons for Early Years pupils in the spring and summer terms in preparation for transition to KS1. We think that this will impact positively on pupils’ readiness for both school sport and wider learning as they begin Year 1. • Use of MUGA and Richmond School Sports Facilities. To improve the quality of our PE provision, we have planned to transport pupils to Reeth MUGA and Richmond Schools Sports hall for some PE lessons. This will give pupils more space and better facilities to participate in different sporting activities. (Cost: £TBC) • Play Makers Programme We plan to complete the Play Makers award with all Year 6 pupils. This award will help develop pupils’ skills in leadership. Once they have completed the award they will be able to confidently set up and run different sporting activities for younger pupils during playtimes and PE lessons. (Cost: £500)

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils	
Actions:	Impact and evaluation:
<ul style="list-style-type: none"> • Clubs e.g. mountain biking, archery, dance, fell running We offer a comprehensive range of free after school sports, led by school staff, our PE specialist and external providers. Activities include badminton, football, archery, hockey, tennis, netball, basketball, rounders, gymnastics, athletics, mountain biking and fell running. Pupils have requested 'PE at break times'; our sports specialist leads lunchtime activities each Friday in response to this. <u>Mountain bike club</u> is offered to Year 5 and 6 pupils each week throughout the summer term. We have a fleet of bikes and a bike trailer to transport them, previously purchased with grant funding. <u>Fell running club</u> offered to Year 4, 5 and 6, in the first half of the autumn term. We utilise and explore the fantastic network of local tracks, path and bridleways each week. (Cost: £6075 – also costed in Key Indicator 1) • Outdoor Education We really value outdoor education. It offers challenge for all pupils, boosts self-esteem, and develops children's ability to work effectively with others. We aim to initiate a lifelong interest in sport and with excellent opportunities for outdoor and adventurous activities in our locality, we offer enhanced provision in this area. Supported by the grant, we have developed a programme that provides progressive 	

<p>experiences that begin in Year 1. This year we have planned for KS1 and KS2 pupils to complete a number of visits to Marrick Priory Outdoor Education Centre. (Cost: £3200)</p> <ul style="list-style-type: none"> • Cycle safety sessions We provide a 6-week programme for Year 5 pupils that develop their ability to cycle safely on streets and roads in the local area. (Cost: £930) • Curriculum trips with a link to broadening physical activity/outdoor experience Linked to the curriculum, we plan to deliver a diverse range of school trips. These trips aim to challenge the pupils both academically and physically. Planned trips include a local area walk and caving. (Cost: £1000)

Key Indicator 5: Increased participation in competitive sport

Actions:	Impact and evaluation:
<ul style="list-style-type: none"> • Cluster sports events We continue to work with the Wensleydale Cluster to create a package of competitive sporting events. Following evaluation of previous provision, we take full ownership of these events, with each planned and organised by one of the cluster schools. We believe that by working in this way we achieve the highest standard of competitive experience. Events planned for 2019 – 2020 include football, tag rugby, netball, skipping, dance, swimming, cross country, hockey, tennis, multi-sports, athletics and cricket. (Cost: £2845) • Open sports events and Level 3 finals We participate in open sports events, including cross-country, and attend Level 3 finals when we either qualify or are nominated by our cluster. (Cost: £400) • Use of MUGA and use of Richmond School Sports Facilities. This year we have arranged use of the MUGA and Richmond School Sports Facilities. This will enable more intra-school competition as well as preparation for cluster sports events. This development work will contribute to our Schools Games Mark. (Cost: £TBC)
