Our Vision

We come to school to learn, explore and grow. In our small community, we all work together to make a better school, make connections and to prepare for our future. Values of love, kindness, hope, peace and respect help to guide us on this journey.

Our school song, 'One More Step Along the World I Go', celebrates all that we do.

Our Aims

To provide high quality education that enables all pupils to reach their full potential

To inspire a love for learning

To support pupils to become confident, independent, and well-rounded people ready for the next step of education and for life

To develop pupil's understanding of right and wrong, respect for others, sense of personal responsibility, and politeness

To provide opportunities for pupils to explore and develop beliefs and values, including those of the Methodist Church and of Britain

To work together - staff, pupils, parents and the wider community - to achieve shared goals

What do the pupils say?

'We come to school to learn, to get ready for secondary school and to get ready for the future.'

'School builds up our confidence.'

'Every child is unique and is known by the teachers. They know our strengths and the things that we need help with.'

'Everyone is valued. We're so small. We're all friends.'

'Everyone is noticed, appreciated and congratulated.'

'The Christian Values help us through our lives. For example, joy reminds us to be happy. One smile can help someone else. Before you know it, everyone is happy.'

The Christian Values help me at home too. I've done things differently, like helping out more.'

One More Step Along the World I Go

One more step along the world I go,
One more step along the world I go;
From the old things to the new,
Keep me travelling along with you:
*And it's from the old I travel to the new;
Keep me travelling along with you.*

Round the corners of the world I turn,
More and more about the world I learn;
All the new things that I see
You'll be looking at along with me.
*And it's from the old I travel to the new;
Keep me travelling along with you.*

As I travel through the bad and good,
Keep me travelling the way I should.
Where I see no way to go,
You'll be telling me the way, I know.
*And it's from the old I travel to the new;
Keep me travelling along with you.*

Give me courage when the world is rough,
Keep me loving though the world is tough;
Leap and sing in all I do,
Keep me travelling along with you:
*And it's from the old I travel to the new;
Keep me travelling along with you.*

You are older than the world can be,
You are younger than the life in me;
Ever old and ever new,
Keep me travelling along with you:
*And it's from the old I travel to the new;
Keep me travelling along with you.*
